

## Product Overview: Ancestry Library Edition

ProQuest has partnered with MyFamily.com to create Ancestry® Library Edition, one of the most important genealogical collections available today. It has unparalleled coverage of the United States and the United Kingdom, including census, vital, church, court, and immigration records, as well as record collections from Canada and other areas. This collection, with thousands of databases and billions of names, is essential to having a broad genealogy collection, and its valuable content is a strong complement to HeritageQuest™ Online.

### Ancestry Library Edition

The Ancestry Library Edition collection has approximately 4,000 databases including key collections spanning the 14<sup>th</sup> century to present day, such as U.S. Federal Census images and indexes from 1790 to 1930; the Map Center containing more than 1,000 historical maps; *American Genealogical Biographical Index* (over 200 volumes); *Daughters of the American Revolution Lineage* (over 150 volumes); *The Great Migration Begins: Immigrants to New England, 1620-1630*; *Social Security Death Index* (updated monthly); *WWI Draft Registration Cards*; *Federal Slave Narratives*; and a strong Civil War collection. Ancestry Library Edition updates continually, with more indexes and original images added all the time.

### Administration / Setup

There is no local screen customization for **Ancestry Library Edition**.

The Generations Network provides the usage reporting for Ancestry Library Edition. To receive usage reports, a library need only make a one-time request via an e-mail to the following address: [libraryedition@ancestry.com](mailto:libraryedition@ancestry.com)

The reports are generated once a month and e-mailed to the library. Statistics include number of sessions, connect time, average session time, and total page views.
