

The Scotsman Coverage: 1817–1950

To explore 19th-century revolutions and 20th-century change, start here.

When it was founded in 1817, *The Scotsman* was so radical that it was considered “incendiary.” Today, it continues to provide an independent voice and uniquely Scottish analysis of local and global events.

From the death of Sir Walter Scott to the death of Abraham Lincoln, from the publication of Mary Shelley’s *Frankenstein* to the fashion for tea salons in Victorian Glasgow, and from the Catholic Emancipation Bill to the crash of the U.S. stock market, *The Scotsman* captured the unprecedented turmoil and change occurring on both sides of the Atlantic during the 19th and 20th centuries.

Because *The Scotsman*, part of ProQuest Historical Newspapers™, is delivered on the same platform as *The Guardian*, *The Observer*, *The Irish Times*, and *Weekly Irish Times*, researchers can easily compare and contrast facts and opinions conveyed in these newspapers. The result is a more comprehensive understanding of the modern history of the British Isles and Ireland.

Personal stories. Broad coverage.

With significant numbers of North Americans being of Scottish descent, *The Scotsman* is a valuable tool for today’s genealogists. Engagement and marriage announcements, birth and death notices, photographs, stories about locally owned businesses, and other types of content help fill in the gaps of family histories. And, by cross-searching this newspaper with Irish, U.K., and U.S. titles in the ProQuest collection, explorers can gain an even fuller genealogical perspective.

The Scotsman offers valuable content to many other types of users, as well. Whether it’s an English class researching Sir Arthur Conan Doyle, a sports enthusiast curious about the first Open Championship at Prestwick, an engineering student who is interested in the original design of the Caledonian Canal, or an artist wondering what people thought at the unveiling of the Greyfriars Bobby sculpture, *The Scotsman* has it covered.

Effective searches. Fast finds.

ProQuest makes it easy for both novice researchers and information professionals to find relevant information quickly with basic and advanced search options. Searches can be narrowed by over 20 specific article types and dates to focus on the most relevant information. Each newspaper page is zoned into article images, and each newspaper image is supported with searchable ASCII text. Combined, these features mean faster, more effective searches for users.

ProQuest digitizes documents at the highest possible resolution to deliver clean, readable images. Researchers can sort their results by oldest, most recent, or most relevant. In addition, stories that originally spanned multiple pages of a newspaper are “threaded” together, appearing as one continuous PDF file, improving readability. Users can view and easily download articles, front pages, photos, display ads, and more in PDF format.

The “My Research” summary feature can be used to track recent searches, save articles, email documents, create a bibliography, export citations, and create Web pages.

More to explore.

The Scotsman is part of—and cross-searchable with—ProQuest Historical Newspapers, the definitive digital archive of more than 20 million digitized pages of full-text and full-image newspapers from significant national U.S. and international titles dating back to the 18th century. This offering includes continuous runs of:

International Titles

- *The Guardian* (1821–2003) and *The Observer* (1791–2003)
- *The Irish Times* (1859–2007) and *Weekly Irish Times* (1876–1958)

National Titles

- *The Atlanta Constitution* (1868–1942)
- *The Baltimore Sun* (1837–1985)
- *The Boston Globe* (1872–1925)
- *Chicago Tribune* (1849–1986)
- *The Christian Science Monitor* (1908–1995)
- *The Hartford Courant* (1764–1984)
- *Los Angeles Times* (1881–1986)
- *Minneapolis Tribune* (1867–1922)
- *The New York Times* (1851–2005) with *Index* (1851–1993)
- *New York Tribune* (1841–1922)
- *San Francisco Chronicle* (1865–1922)
- *The Wall Street Journal* (1889–1991)
- *Washington Post* (1877–1992)

In addition to the newspapers above, *The Scotsman* is cross-searchable with the American Periodicals Series Online and the Historical Black Newspapers collection. ProQuest continues to add U.S. and international titles to its Historical Newspapers program, developing an online primary source database that enables readers to compare how news about major events is covered across continents and over time.

For historical news reporting and information that crosses centuries and continents, start here.
